

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

NAME.

The name of this Association is THE UNIVERSITY ATHLETIC CLUB.

ARTICLE II.

OBJECTS.

It is the principal aim of this Club to furnish Athletic facilities for its members and to cultivate a love of athletic sports in the amateur spirit without a trace of professionalism.

ARTICLE III.

ARTICLE V.

THE TREASURER.

The Treasurer shall collect all entrance fees and all dues and moneys owing to the Club, and shall keep the accounts of the Club, and report thereon at each regular meeting of the Council. His accounts shall be audited by the Auditing Committee semi-annually, or oftener in their discretion. He shall pay all bills on the certificate of their correctness by the House Committee. He shall notify persons elected to membership of their election.

ARTICLE VI.

He shall furnish to the Treasurer the names of all members elected to membership, and shall be the keeper of the seal of the Club.

ARTICLE VII.

THE COUNCIL.

1. The Council, who shall also be the Trustees of the Club, shall consist of twenty members, one-third of whom (as nearly as may be) shall be elected by ballot at each annual meeting of the Club to replace the outgoing class, and to take office at the expiration of the term of such outgoing class. They shall hold office for three years or until the third annual meeting after their election. The Council shall have general charge of the affairs, funds and property of the Club. They shall have power, and it shall be their duty, to carry out the purposes of the Club, according to its Charter, Constitution and By Laws. They shall divide themselves into three classes as nearly equal in number as possible ; one class to hold the office for one year, or until the next annual meeting ; another class to hold office for two years, or until the second annual meeting thereafter ; the third class to hold office for three years, or until the third annual meeting thereafter.

2. The Council shall, as soon as may be after its members first take office, and thereafter as soon as may be after each Annual Meeting, elect from its own body a President, Vice-President, Secretary and Treasurer, who shall hold office until

the third Saturday of the succeeding January, and until their successors are elected.

3. The Council shall submit at each Annual Meeting a general report of the affairs of the Club with an estimate for the ensuing year, which shall be printed and distributed to the members one week before the Annual Meeting, and shall report at other times, if required.

8. The Council shall have power to make, revise and amend such By-Laws as they deem necessary.

ARTICLE VIII.

MEETINGS AND ELECTIONS.

1. There shall be an Annual Meeting of the Club on the third Saturday of January in each year, and at each Annual Meeting, members, six or seven—as the case may be—shall be elected by ballot as members of the Council (to replace the outgoing class) whose term of office shall be for three years. Vacancies in the other classes shall also be filled at such meeting by ballot. A majority of the votes cast shall be necessary to elect.

2. Officers and members of the Council shall hold office during the term for which they are elected and until their successors are chosen.

3. Upon the written request of twenty-five members the Council shall call a Special Meeting of the Club, which request, as also the notice of any Special Meeting, shall state the object for which the meeting is called, and at a Special Meeting no subject, not so stated, shall be considered. Notices of any meeting, whether Annual or Special, shall be posted in the rooms of the Club for one week. Fifty members shall constitute a quorum at any meeting of the Club.

ARTICLE IX.

QUALIFICATIONS OF MEMBERS.

1. Any person shall be eligible to membership in this Club who shall have received from a University or College a degree, to obtain which, in regular course, at least three years' residence and study are required, or who shall have received an honorary degree from such University or College, or shall have graduated at the United States Military Academy or at the United States Naval Academy.

2. The Council shall determine what degrees from foreign Universities shall qualify the holder for membership; and a list of such degrees shall be posted in the office of the Club. The holder of any degree named on such list shall be eligible to membership.

3. The Council may elect as Honorary Members, by unanimous vote only, persons not necessarily qualified for ordinary membership by the possession of a College or University degree. Such Honorary Members shall have all the privileges of ordinary membership, except the right of voting and holding office, and shall not be required to pay any entrance fee or dues. But no person shall be elected to honorary membership unless notice shall have been sent to each member of the Coun-

cil at least ten days prior to the meeting at which the name of such person shall be voted upon. Such notice shall contain the names of the person and of his proposer and seconder, who must be members of the Council.

The number of such Honorary Members shall not at any time exceed ten.

ARTICLE X.

COMMITTEE ON ADMISSIONS—ELECTION OF MEMBERS.

1. The Committee on Admissions shall consist of twenty-one members, who shall divide themselves into three equal classes, one class to hold office for one year, or until the next annual meeting ; another class to hold office for two years, or until the second annual meeting thereafter ; the third class to hold office for three years, or until the third annual meeting ; and thereafter seven members of said Committee shall be elected by ballot at each annual meeting of the Club, to replace the outgoing class, and to take office at the expiration of the term of such outgoing class. The term of office of the members of this Committee shall be three years, or until the third annual meeting after their election.

2. A majority of the votes cast shall be necessary to elect ; and vacancies in any class shall be filled by the Committee.

Eleven members shall constitute a quorum, and two negative votes shall reject a candidate. No member of the Council shall be a member of this Committee except as otherwise herein provided.

3. The name, residence, college or place of instruction, class and degree of every person proposed for admission, with the names of the members proposing and seconding, shall be exposed in a conspicuous place in the Club House for at least one month. The Committee on Admission shall then have power to act. The proceedings of this Committee shall be secret and confidential. It shall be the duty of the Committee after careful consideration and examination to vote upon each name separately and by ballot. Until the Club House is opened to members generally, the Committee may make its own rules for the election of members subject to the above provisions for secrecy.

4. No member of this Committee shall propose any candidate for membership of the Club. On the election of each new member, the Committee shall forthwith notify the same to the Treasurer and to the Secretary of the Club.

5. The number of resident members of the Club shall not exceed one thousand.

ARTICLE XI.

RESIGNATIONS.

Resignations of membership shall be made to the Secretary in writing. Such resignation shall not be accepted until all indebtedness to the Club, of the member resigning, shall have been discharged.

ARTICLE XII.

DUES.

1. The entrance fee shall be fifty dollars for resident members and twenty-five dollars for non-resident members ; but every non-resident member, who shall become a resident member, shall pay to the Treasurer an amount equal to the difference between his original entrance fee and the entrance fee for resident members at the time of his admission as a non-resident member ; and a failure to pay said sum shall be considered a failure to pay dues, and shall subject a member in default to the penalties prescribed in Section 8 of this Article.

2. The annual dues of resident members shall be fifty dollars, and of non-resident members twenty five dollars, payable semi-annually, in advance, on the first days of April and October.

3. Persons not residing or having a place of business

within twenty miles of the City Hall in the City of New York, may be elected as non-resident members; and any member who removes his residence and place of business to a distance of at least twenty miles from said City Hall, on written notice to the Treasurer of such removal shall become a non-resident member.

4. No non-resident member of the Club shall be entitled to vote at any meeting of the Club, or to hold office.

5. Non-resident members who may change their residence or place of business so that they would be ineligible for election as non-residents if not already members of the Club, shall become resident members under conditions heretofore specified, and shall notify the Treasurer in writing of such change.

6. Candidates elected shall become members of the Club on payment of the entrance fee and of the dues for the current half year, and the election of any candidate shall be void if he fail to make such payment within thirty days after notice of his election is mailed, addressed to him at the place given as his residence on the posted list of candidates.

7. Officers of the Army and Navy eligible to membership shall be considered as non-resident members, except that when

ordered on service outside the limits of the United States, or when stationed at a post, distant more than two hundred and fifty miles from New York City for a period longer than one year, their dues shall be remitted during the period of such service.

8. The names of all members who shall fail to pay their semi-annual dues on or before the first days of May and November, shall be then posted in a conspicuous place in the Club House, and if such dues are not paid on the first days of June and December thereafter, such members shall cease to be members of the Club, subject however, to the provisions of Article VII., Section 7, of the Constitution.

ARTICLE XIII.

EXPULSION, SUSPENSION AND FORFEITURE OF MEMBERSHIP.

Any member may be suspended or expelled for cause, by a vote of three-fourths of the members of the Council present at a meeting of the Council ; provided, however, at least twelve votes are cast in favor of such suspension or expulsion, one month's previous notice in writing having been given to the member, with a copy of the charges preferred against him. And in like manner and upon like charges and notice, any member of the Club, who is, or becomes, a professional athlete, may be declared to have forfeited his membership.

The number of members composing each Committee and the respective duties of each Committee, are to be determined by the Council.

ARTICLE XVII.

The Council and Committee on Admission shall each have

power to make rules for its government, and to prescribe and enforce penalties for the violation of such rules.

ARTICLE XVIII.

NOTICES TO MEMBERS.

Any member may enter in a book, to be kept at the office, a mail address, to which all notices to be sent to him under the Constitution or Rules shall be directed.

In default of such entry, such notices shall be served by depositing them in the Club letter box, addressed to the member, who shall be held to have received them ten days after they shall have been so mailed or deposited.

ARTICLE XIX.

SEAL.

The seal of the Club shall be circular in form and contain the following: "The University Athletic Club, incorporated 1891," with any device that may be selected by the Council.

ARTICLE XX.

AMENDMENTS.

to the Secretary and posted in the Club rooms at least twenty days before the meeting at which it is proposed to consider them, and the Secretary shall cause such notices to be printed and sent to each member, at least ten days before such meeting.

ARTICLE XXI.

All notices herein required to be given to members shall be sent to the address of each member, as given to the Secretary. All notices of election shall be sent to the address given to the Secretary by the proposer. A failure to give any address to the Secretary shall relieve him from all obligation to send notices.

In such book shall also be entered the College at which each candidate graduated, the year of his graduation, his residence and his profession or occupation, and if he have his residence and his profession or occupation, and if he have no profession or occupation that fact shall be stated.
